Requesting sanction to the completion of the D. F. incomplete works of the last year a cost of Rs 71346.

Note

With his letter ~~no~~ quoted above the President submitted a list of D. But in this office does ^B no $\frac{11665}{1-02}$ of 12-2-03. the President was requested to state whether the list above mentioned was approved of by the D. F. Board and if so, to forward a copy of their resolution. The President, ^①stated in reply, that as the ~~Bug~~ Budget for 1902-1903 was submitted to Govt. on 1st Feb 1902, it was not possible to place it before the Board, the year 1901-1902 not ~~having~~ ended as yet; and that it has not been formally brought before the Board up to date.

It is submitted that

in paras 5 and 4 of Government Proceedings nos

 $\frac{13783}{271-02}$ of 16-3-03, Communicating to the President
 the above order, he now submits for ~~sanction~~
 a copy of the revised list of Incomplete

and requests early sanction for the same, to prevent the Comptroller ^{from} raising objection to accept the charges for these works during the current official year which is fast coming to a close.

The D. F. Board have approved of the charges as shown in the Revised List.

Submitted with draft for approval.

~~On 9/6/03~~ The financial condition of the D. F. Board of the Circle is as follows: -

	For 1902-03	For 1903-04.
Opening balance	Rs 41085	Rs. 38670
Receipts	70280	73960
Total including balance	111365	112630
Expenditure	72695	96747
Closing balance	38670	15,883.

The funds of 1902-03 admit of the charge as there will be a credit balance of Rs 38,670, which is more than the prescribed minimum by Rs 21100. But adopting the figure, Rs 38,670 as the opening balance for 1903-04, the estimated closing balance for the year came down to Rs 15,883, which is less than the prescribed minimum by Rs. 2607. And if the supplemented grant now applied for be sanctioned, this deficit will rise to (Rs 2607 + 8276) Rs 10,883.
